Re: Notice of Proposed Administrative Fine and Hearing No. AF 02-019

Dear Mr. Haselton:

The Department of Environmental Services, Air Resources Division (the "Division") is conducting a systematic review of its open administrative fine cases. On July 8, 2002, the Division issued Notice of Proposed Administrative Fine and Hearing No. AF 02-019 (the "Notice") to you proposing to impose fines totaling \$1,750 for failure to perform gasoline Vapor Recovery Stage II Testing at Dial-Mart and Video, located at 10 Manchester Road in Derry, New Hampshire. As Dial-Mart and Video is currently in compliance with existing Stage II regulations, and is now under new ownership, the Division is hereby notifying you that the Notice has been administratively closed without findings.

If you have any questions on this matter, please contact Joseph Ritz at 271-1391

Sincerely,
